1. Significant Accounting Policies

1.1 Reporting Entity

The Institute of Chartered Accountants of Sri Lanka (hereafter referred to as the 'Institute') was incorporated in 1959 under an Act of Parliament. The Head Office is situated at No.10A, Malalasekara Mawatha, Colombo 07.

1.2 Basis of Preparation

The Financial Statements have been prepared in accordance with the Sri Lanka Accounting Standards (SLAS) and are based on historical costs and do not take into account changing money values, except where stated. Cost is based on the fair values of the consideration given in exchange for assets. The accounting policies are consistent with those used in the previous year. The financial statements were authorised for issue by the Council on 23rd April 2008.

The financial statements are presented in Sri Lankan Rupees, which is the functional and presentation currency. Figures and phrases relating to the previous year have been restated where necessary, to conform to the current year's presentation.

The preparation of financial statements in conformity with SLAS requires management to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimated assumptions are based on historical experience and various factors that are believed to be reasonable under the circumstance, the result of which form the basis of making the judgments. Actual results may differ from estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised, if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.
