Comments :

Borrowers commenced banking with us in December 1998. Several facilities were granted to the firm in February 1999. The firm had incurred losses towards the latter part of 2000 mainly due to their inability to recover proceeds of credit sales (chicken and related products) made to restaurants in the area.

Position was further aggravated when supply of chicken products by Maxies was stopped after expiry of the credit guarantee. Sale of other grocery items did not yield sufficient revenue to service the bank facilities.

Therefore, facilities were re-scheduled in October 2000. However they were unable to repay the agreed installments/interest due on these facilities.

Their grocery shop was closed down due to heavy losses and a small business involving repairing and servicing of electric appliances was thereafter started. This too did not generate an income sufficient to service the facilities.

Since no settlement is forthcoming it is recommended to proceed to auction the property mortgaged to the Bank under Section 4 of the Recovery of Loans by Banks (Special Provisions) Act No. 4 of 1990.

Two separate resolutions have been prepared pertaining to facilities granted to the firm and the partners of the firm to be passed by the Board of Directors.

The approval of the Board of Directors is sought for the sale of the property at a public auction in order to recover the outstanding debts in full together with other charges if any.

The Board is requested to fix an upset price according to Section 11 of the said Act below which, the property shall not be sold to any person other than to the Bank, to which the property is mortgaged. Therefore, it is recommended to fix the upset price at Rs.4,000,000-being the Forced Sale Value.

It will also be necessary to adopt the undernoted resolutions :-
