PART I

ESTABLISHMENT, CONSTITUTION, POWERS AND FUNCTIONS OF THE NORTH WESTERN PROVINCE PROVINCIAL DEPARTMENT OF ROAD DEVELOPMENT

4. The Department shall by its name be a body corporate and shall have perpetual succession and a common seal and may sue and be sued in that name and shall have the power to execute all matters pertaining to North Western Provincial Council roads. Department to be a legal entity
5. The Department shall consist of a Provincial Director, two Deputy Directors, Executive Engineers, Head Quarters Engineers and other officials and employees. Constitution of the Department
6. The Governor of the North Western Province shall on the recommendation of the Chief Secretary of the Province appoint a Class one Officer of the Sri Lanka Engineers' Service as the "North Western Provincial Director of Road Development" to exercise of the powers vested in the North Western Provincial Department of Road Development. Appointment of the Director
7. The Deputy Directors and all Engineers referred to in Section 5 above shall be officers of the Sri Lanka Engineers' Service and shall be appointed by the Governor of the North Western Province on the recommendation of the Provincial Director of Roads and the Chief Secretary of the North Western Provincial Council. Appointment of the other engineers .
8. All officers appointed for the purpose of this Statute shall be deemed to be public servants. No action or prosecution shall be instituted or maintained against any officer who is acting on the direction of the Provincial Director for any act or omission which is done in his/her official capacity in this connection. Officers deemed to be public servants and provisions relating to execution of service.
9. The functions of the North Western Provincial Department of Road Development are as follows:
 1. to design and maintain updated the road network of the North Western Province for the efficient transport operations through effective management of limited resources, advanced technology and technical skills;
 2. to formulate and implement plans for the rehabilitation, improvement, renovation and maintenance of provincial roads as the case may be;
 3. to demarcate and secure the boundaries of the road reservations of the provincial road network;
 4. to institute legal actions against those who damage the provincial road network or the road reservations;
 5. to represent the Department at meetings of the Regional Coordinating Committee; District Coordinating Committee; District and Provincial Road Safety Committee; and District Disaster Management Committee;
 6. to design and implement plans within the provisions made available by either the Provincial Council or any other institution for the renovation of damages caused to the provincial road network due to natural disasters such as floods or for any construction or development activity;
 7. to develop on annual basis and maintain updated the data base of the scope of the Department;
 8. to grant permission subject to conditions on the approval of the Advisory Council to any institution or organization which intends to rehabilitate, improve and thereafter maintain any provincial council road or roads through provisions outside the provincial council or under any other special project to do so.

Application of the Statue	10. Subject to the provisions hereinafter provided, this Statue shall apply to all roads of Class “C” and “D” belonging to the North Western Province and to all bridges, ferries, designs and road reservations thereon.
Administration of the Statue	<p>11. (1) The Provincial Department of Road Development established in the Provincial Council of the North Western Province, (hereinafter referred to as the “Department”) shall subject to the general directions and policy guidelines of the Minister and or Chief Secretary, have the exclusive power of implementation and administration of the provisions of this Statue in consultation with such other government departments or institutions as may be referred to in this Statue.</p> <p>(2) The Department may exercise all or any of the powers conferred upon the Department under this Statue.</p>
Declaration of provincial road/s.	<p>12. (1) Subject to the provisions of Section 11 (2) above, the Minister may in consultation with the Advisory Board established under Section 15(1), by Order published in Section IV of the <i>Gazette</i> declare a road within the province to be a road coming under the purview of this Statute.</p> <p>Provided that, any road specified in the Schedule 1 which prior to the coming into operation of this Statute has been declared to be a provincial road, shall from and after the date of coming into operation of this Statue, be deemed to be a provincial road, within the meaning of this Section.</p> <p>(2) Every provincial road declared under subsection (1) shall vest in the Provincial Department of Road Development and accordingly the department shall maintain said roads at the highest possible standard within the annual financial allocations.</p> <p>(3) For the purposes of this Statue a provincial road includes a canal or river.</p>
Powers of Officers and Employees	<p>13. (1) Subject to the general administration of the Secretary, the Provincial Director shall have the power to carry out the orders and directions made in relation to matters pertaining to or incidental to this Statute.</p> <p>(2) Subject to the general direction and control of the Provincial Department of Road Development, the Provincial Director, Deputy Director, Head Quarters Engineer and Executive Engineer of the Department shall be responsible for the implementation and administration of the provisions of the Statue. The powers of the Executive Engineer shall be limited to the relevant Executive Engineering Division and the boundaries of authority of the Executive Engineering Division shall be declared from time to time by the Provincial Director.</p> <p>(3) It shall be lawful for the Provincial Director to delegate any functions assigned to him by this Statue to the Deputy Director, Head Quarters Engineer and Executive Engineer or any other officer of the Department or any organization or a person as the case may be.</p>

“Provincial Director” means the Director of the North Western Provincial Department of Road Development;

“Deputy Director” means the officer holding the post of Deputy Director - I and Deputy Director II of the North Western Provincial Department of Road Development;

“Head Quarter Engineer” means an Engineer serving in the Head Office of the Department of Road Development of the North Western Provincial Council;

“Executive Engineer” means the Executive Engineer serving in the Head Office of the North Western Provincial Department of Road Development;

The Provincial Director shall be a Class I Officer of the Sri Lanka Engineers’ Service and all other Engineer including the Deputy Director should be serving officer of the Sri Lanka Engineers’ Service.

“Road” includes –

- (a) All carriage ways and roads mentioned in the First Schedule of this Statue other than those which come under the purview of National Thoroughfares Act No.40 of 2008 or any Local Government Institution within the North Central Province and the Minister may declare from time to time;
- (b) All flyovers or interchanges belonging to the Department;
- (c) All culverts, bridges, drains, and embankment causeways, viaducts, interchanges, ditches, path ways, cart ways and ditches belonging or appertaining to a road;
- (d) All water causes where boats and barges move along and ferries;
- (e) The reservation within building limit of a road and all lands situated within adjacent or outside the said limit;
- (f) All land adjoining road reservation which has been reserved for its projection and benefit;
- (g) All land which has been marked off and reserved for construction of any road; and
- (h) All waste land which not been private property lies within a distance of 10 meters of the centre of public carriage ways and cart ways and three meters of the centre of public path ways.

The burden of proving that such waste land is private property lying on the person asserting the same.

“Reservation” means in relations to a road all land adjoining and beyond the drains or the verge of a public road which has been reserved for its safety, protection and benefit and for the future development of the road;

“Right of way” means the carriage way, shoulders, verge, drains and the reservation of a road;

“Work” means all road works and shall include –

- (a) Work associated with the erection or creation of a structure;
- (b) Creation modification or felling of a trench;
- (c) Earth work.

“River” means river stream or canal or water cause;

“Government Agency” means a Government Ministry, Department, Government Office, Corporation, Board or Authority;

“Institution of the Provincial Council” means a Ministry, Department or an Institution establish under a Statue of the North Western Provincial Council; and

“Local Government Body” means a Municipal Council, Urban Council and Pradeshiya Shabas in the North Western Province.

“Keeper” in relation to an animal means the person in whose possession animal is or should have been.

IMPORTANT NOTICE REGARDING PUBLICATION OF GAZETTE

THE Weekly issue of the *Gazette of the Democratic Socialist Republic of Sri Lanka* is normally published on Fridays. If a Friday happens to be a Public Holiday the *Gazette* is published on the working day immediately preceding the Friday. Thus the last date specified for the receipt of notices for publication in the *Gazette* also varies depending on the incidence of public holidays in the week concerned.

The Schedule below shows the date of publication and the latest time by which notices should be received for publication in the respective weekly *Gazette*. All notices received out of times specified below will not be published. Such notices will be returned to the sender by post for necessary amendment and return if publication is desired in a subsequent issue of the *Gazette*. It will be in the interest of all concerned if those desirous of ensuring the timely publication of notices in the *Gazette* make it a point to see that sufficient time is allowed for postal transmission of notices to the Government Press.

The Government Printer does not accept payments of subscription for the Government Gazette.

Note.—Payments for inserting Notices in the *Gazette of the Democratic Socialist Republic of Sri Lanka* will be received by the Government Printer.
