31st May, 2022.

My No.: JAF/C/UOJ/1/2021.

Vice Chancellor,
University of Jaffna.

Report of the Auditor General on the Financial Statements and Other Legal and Regulatory Requirements of the University of Jaffna for the year ended 31st December, 2021 in terms of Section 12 of the National Audit Act, No. 19 of 2018

1. Financial Statements

1.1 Qualified Opinion

THE audit of the financial statements of the University of Jaffna (“University”) for the year ended 31st December, 2021 comprising the statement of financial position as at 31st December, 2021 and the statement of financial performance, statement of changes in net assets and cash flow statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, was carried out under my direction in pursuance of provisions in Article 154(1) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with provisions of the National Audit Act, No. 19 of 2018 and Finance Act, No. 38 of 1971. My report to Parliament in pursuance of provisions in Article 154 (6) of the Constitution will be tabled in due course.

In my opinion, except for the effects of the matters described in the basis for Qualified Opinion section of my report, the accompanying financial statements give a true and fair view of the financial position of the University as at 31st December, 2021, and of its financial performance and its cash flows for the year then ended in accordance with Sri Lanka Public Sector Accounting Standards.

1.2 Basis for Qualified Opinion

- (a) Assets costing Rs. 2,421,636,621 received from JICA and AHEAD Projects had been indicated in the statement of financial performance as the revenue from non-exchange transactions during the year under review without adjusting retrospectively in terms of Sri Lanka Public Accounting Standard 3.
- (b) The useful lifetime of fixed assets had not been reviewed annually in terms of paragraph 65 of the Sri Lanka Public Sector Accounting Standard 7. Vehicles and cloaks accounted under Property, Plant and Equipment costing Rs. 78,957,863 had been fully depreciated but still being used by the end of the year under review. No action had been taken to rectify the estimated error in accordance with Sri Lanka Public Sector Accounting Standard 3.
- (c) According to the paragraph 47 of the Sri Lanka Public Sector Accounting Standard 7, when the fair value of the revalued asset differs materially from its carrying amount, a further revaluation is necessary. It may be necessary to revalue the item every three or five years. However, Property, plant, equipment with the aggregated amount of Rs. 7,288,976,743 had not been revalued for the past 7 years since 2014.
- (d) Sum of Rs. 40,972,090 had been received as capital grant from treasury during the year under review had not been recognised as revenue in terms of SLPSAS 11. As a result, the surplus from operating activities/capital for the year had been understated by that similar amount in the Financial Statement.
- (e) An aggregated amount of Rs. 2,541,450 live stock had not been disclosed separately under non-current assets as biological assets in the statement of financial position as per the requirement of Sri Lanka Public Sector Accounting Standard 18. Instead of, it had been accounted under Property, plant & equipment. As a result the value of the Property, plant & equipment had been overstated by the similar amount.

- (f) Expenditure on depreciation amounting to Rs. 1,065,410,866 relating to the year under review had been adjusted in the statement of financial performance as non-operating expenditure instead of adjusting to the operating expenditure of the year.

As such, profit earned from current operations and the profit earned from capital operations had been overstated and understated respectively in the financial statements during the year under review.

I conducted my audit in accordance with Sri Lanka Auditing Standards (SLAuSs). My responsibilities, under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

1.3 Other information included in the University's 2021 Annual Report.

The other information comprises the information included in the University's 2021 Annual Report but does not include the financial statements and my auditor's report thereon, which I have obtained prior to the date of this auditor's report. Management is responsible for the other information.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial statements, my responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated.

If based on the work I have performed on the other information that I have obtained prior to the date of this auditor's report, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

1.4 Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with Sri Lanka Public Sector Accounting Standards, and for such internal control as management determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the University's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the University or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the University's financial reporting process.

As per Section 16(1) of the National Audit Act, No. 19 of 2018, the University is required to maintain proper books and records of all its income, expenditure, assets and liabilities, to enable annual and periodic financial statements to be prepared of the University.

1.5 Auditor's Responsibilities for the Audit of the Financial Statements

My objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance

with Sri Lanka Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Sri Lanka Auditing Standards, I exercise professional judgment and maintain professional scepticism throughout the audit. I also,

- * Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- * Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the University's internal control.
- * Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- * Conclude on the appropriateness of the management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the University's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the University to cease to continue as a going concern.
- * Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

2. Report on Other Legal and Regulatory Requirements

2.1 National Audit Act, No. 19 of 2018 and Universities Act, No. 16 of 1978 includes specific provisions for following requirements.

- 2.1.1 Except for the effects of the matters described in the basis for Qualified Opinion section of my report, I have obtained all the information and explanation that required for the audit and as far as appears from my examination, proper accounting records have been kept by the University as per the requirement of section 12(a) of the National Audit Act, No. 19 of 2018.
- 2.1.2 The financial statements presented is consistent with the preceding year as per the requirement of Section 6(1) (d) (iii) of the National Audit Act, No. 19 of 2018.
- 2.1.3 The financial statements presented includes all the recommendations made by me in the previous year except the audit matters described in the basis for Qualified Opinion section of my report as per the requirement of Section 6 (1) (d) (iv) of the National Audit Act, No. 19 of 2018.

2.2 Based on the procedures performed and evidence obtained were limited to matters that are material, nothing has come to my attention.

2.2.1 To state that any member of the governing body of the University has any direct or indirect interest in any contract entered into by the University which are out of the normal cause of business as per the requirement of Section 12(d) of the National Audit Act, No. 19 of 2018.

2.2.2 To state that the University has not complied with any applicable written law, general and special directions issued by the governing body of the University as per the requirement of Section 12(f) of the National Audit Act, No. 19 of 2018 except for the following observations.

<i>Reference to Rules and Regulations</i>	<i>Description</i>
(a) Financial Regulation of the Democratic Socialist Republic of Sri Lanka	
(i) Financial Regulation 267	The salary or wages of an employee should, as a rule, be paid to the payee himself and his discharge therefore obtained on the relevant pay sheet, or a separate receipt may be obtained where the employee requests payment into his bank account. However, in 45 instances salaries had been paid to employees without obtaining receipts from them in January, February and November 2021. Also, during the year under review, there were 173 instances where salaries had been obtained by signing by another person instead of the payee.
(ii) Financial Regulation 371 (2)	<p>(i) The balance of a Sub-Imprest should be settled immediately after the completion of the purpose it is granted. However, in 270 instances, aggregating to Rs. 7,230,301 of advances paid to employees had not been settled on due dates, and thus, the period of delays in settlement had been ranging from 11 days to 161 days.</p> <p>(ii) Where a larger Ad hoc Sub-Imprest is considered necessary, the authority of the General Treasury should be obtained through the Chief Accounting Officer. However, in 20 instances aggregated Ad hoc Sub-Imprest amounting to Rs. 3,147,017 had been approved by the management of the University without being obtained the prior authority of the General Treasury.</p>
(b) Section 5.3.11 of Procurement Manual of the Democratic Socialist Republic of Sri Lanka (Goods & Works)	When obtaining bid for on call vehicles the bid security had not been obtained from selected 2 bidders during the year under review.
(c) Paragraph 13 of Motor Vehicle manual of University of Jaffna.	Fuel consumption test for 6 vehicles had not been done for more than one year.

2.2.3 To state that the University has not performed according to its powers, functions and duties as per the requirement of Section 12(g) of the National Audit Act, No. 19 of 2018 except for the following observations.

- (a) The University had not filled 165 vacancies in key academic posts such as professor, associate professor, and senior lecturer/lecturer etc in ten faculties and other academic units in the University of Jaffna.
- (b) According to the University Grants Commission (UGC) Circular No. 636 dated 14th July, 1995, examination results should be released within three months after the examination. However, it was

observed that there were considerable period of delays in releasing of examinations results, i. e. period of delays ranging from 01st month to 21 months by several faculties of the University such as faculties of Arts, Science, Management, Allied Health Science and Technology during the year 2021. As a result, students were at risk of missing out on opportunities to get their jobs on time.

2.2.4 To state that the resources of the University had not been procured and utilized economically, efficiently and effectively within the time frames and in compliance with the applicable laws as per the requirement of Section 12(h) of the National Audit Act, No. 19 of 2018.

3. Other Facts

- (a) Distress loan balance amounting to Rs. 1,168,318 outstanding for a period ranging from 03 to 26 years had been shown as receivables in the financial statements without been take proper actions to recover those dues.
- (b) Sum of Rs. 1,591,323 shown as Recorp fish project of University of Amsterdam under Self Financing Courses payables in current liabilities had been remained unsettled for a period ranging from 01 to 05 years.
- (c) Sixty-nine academic staff and Twenty-one non-academic staff of the University who had gone abroad on scholarship programmes had not reported for duty or left from the University after completion of the scholarships. However, the University had not taken remedial actions to recover the bonds aggregating Rs. 71,019,495 during the period from 1983 to 2021 from the officers who had breached agreements.
- (d) A Senior lecturer in Department of Botany had obtained approval for the resignation of her post with effect from 26th December, 2018 and acknowledged the approval. She had withdrawn her resignation and she had been reinstated, in contrary to the Section 4.5 (C) of the Chapter V of Establishment Code of the University Grants Commission and the Higher Educational Institution. However Rs. 12,451,000 had been paid as salary and allowance since she had reinstated, without being obtained any continuous service by the University. Even though she had resigned her post properly, she had been given sabbatical leave and vehicle import permit without being complete 07 years and 06 years respectively from her reinstated date.
- (e) The first instalment of Rs. 2,591,400 had been paid to the Engineering Unit of the University during the year under review for completion of 14 minor maintenance works which estimated cost of Rs. 28,805,000. However, the maintenance works had not commenced by December 31, 2021. Also, the percentage of non-completion of 11 maintenance works cost of Rs. 29,411,000 to be completed by that unit during the year under review was between 27 to 100.
- (f) Aggregated amount of Rs. 345,359,916 had been obtained by the University as endowment funds from the well-wishers for the academic development and encouragement for students in 204 categories. During the year under review, Rs. 8,823,834 had been received as interest on the above funds. But Rs. 6,041,617 of that interest or 68 percent remain unused in a bank current account.
- (g) In 2015, Sum of Rs. 53,246,276 had been donated as the estate of late Karthigesan Tamil music trust fund and the estate of late Karthigesan Tamil library trust fund for the specified implementation. Even though Rs. 184,476,087 had been received as interest, sum of Rs. 167,160,640 or 91 percent not utilized by the specified purposes since the year of donation.
- (h) A three storied building had been constructed at Kaithady Siddha Medicine Unit at a cost of Rs. 93.7 million including arbitration fee, interest and interest on interest in 2015. According to the audit inspection conducted in December, 2021, it was observed incomplete works and massive defects such as horizontal splitting, rain water drip through most of the walls and fungus appear in inter walls within 6 year period.
- (i) Seven academic staffs of the University were unable to complete their postgraduate degree within the specific study leave period, but they had resumed duties. However, as per the Circular No. 920 dated 05th February, 2010 of the University Grant Commission and the Clause No. 14 (a) of the Agreements, the University had not taken

appropriate actions to recover the expenditure amounting to Rs. 26,969,765 incurred by the University for the period from 2018 to 2021 from the respective staff.

W. P. C. WICKRAMARATNE,
Auditor General.

Observation of the Governing Authority in respect of the issues highlighted in the report.

1. Financial Statements

1.2 Basis for Opinion

- (a) As per the SLPSAS 10 & 11 income received from exchange and non-exchange transaction has to be disclosed as an income in that particular year only. Rs. 2,171,267,711 has been received as a donation from JICA in 2021. Even though physical building has been completed and equipment received from the project before 2021, official handing over of the building had been done in February, 2021 by the Japanese Government to the University of Jaffna. Hence the official receipt of this donation amounting Rs. 2,171,267,711 had been received as donation in 2021 and reported to the council after officially received the assets from the Japanese Government. Therefore, even though the building was completed and equipment were received before 2021 official handing over of the assets has happened only in 2021. Accordingly, proper accounting had been made for this transaction in the book of accounts in 2021 as per SLPSAS 10 & 11.
- (b) As per the SLPSAS 07 and SLPSAS 03 the residual value and the useful life of an asset shall be reviewed at least at each annual reporting date. However, University of Jaffna has more than 11 categories of assets and some of these categories (Lab & Teaching Equipment and office Equipment) has more than one hundred thousand individual items. The University has carried out one the revaluation for the 1st time in 2014 by a firm of Chartered accountants firm for the purpose of computerization at a cost of more than Rs. 5 million taking more than 5 years and updated the fixed assets registrar. Reviewing the useful life of these assets annually for the purpose of depreciation will not be practical as it time consuming and costly exercise which is not expected to bring a significant impact on the financial statemets. Considering these aspects the Audit Committee at its 70th meeting held on 22nd April, 2022 recommended to the council to initiate a policy to adopt the cost model taking the revalued amount as deemed cost changing the depreciation policy appropriately with the approved of the UGC. The Council is in apparent with this arrangement. Currently the depreciation has been calculated according to the UGC circular No. 649 of 05.10.1995 which specify the useful life of the assets for each category. This will be reviewed in consultation with the UGC from 2022 onwards with the justification for deviating from the Accounting standard with appropriate disclosure.
- (c) Same as (b) above.
- (d) The amount received from the treasury as a Capital grant has been properly taken to the account and disclosed as revenue in the income statement. Rs. 40,972,090 reflected in the report was received from various sources such as well-wishers, donors and income from restricted fund. When assets were purchased using other sources of funds the assets and the income are shown in the respective self-financing courses. Since it is related to the continuing Self-finance courses.
- (e) Although the biological assets had been recognized, measured and kept in a separate ledger account properly in terms of SLPSAS 18, for the reporting purpose the live stocks have been included and disclosed along with Property, plant and equipment as a practice. Action had been taken to disclose the livestock as a separate line item under non-current assets in the future.
- (f) Depreciation being a noncash expenditure not funded by treasury and not considered for financial performance of the University, we have been showing this as non-operating expenditure in the financial statement as a practice. The amounts of depreciation for the year 2021 amount to Rs. 1,065,410,866. However, action will be taken to show the depreciation as an operating expense in the future.

02. Report on Other Legal and Regulatory Requirements

2.2.2

(a) Financial Regulation of the Democratic Socialist Republic of Sri Lanka

- (i) As per the financial regulation 267 staff salaries are remitted to their bank account as per the written confirmation given by the employees. Every month while remitting the salaries to the staff bank account we are sending the payment details clearly to each of them through their heads of departments. Up to data salaries were made to the individual employee's bank account properly and we did not receive any complaint from any employees as they have not received their salary.

The salary slips sent monthly to the individual employees through their department head are received and acknowledged monthly and returned to the finance branch properly. However, there had been instances where some of the employees are receiving their colleague's salary slips due to the study leave, medical leave and some other reason and acknowledging with their own signature without attaching their colleagues request letter to collect their salary slip. Strict action has been initiated to avoid this practice and internal circular dated 19.05.2021 had been issued to all staff informing the procedure needs to be followed when they are collecting the colleague's salary slips. Proper internal control mechanism has been accelerated to monitor this process closely.

- (ii) (i) Due to the Covid 19 pandemic situation most of the institution had shut down their operations continuously. University of Jaffna also completely closed for certain period continuously for one to one and half months. Due to this most of the officers who were taken the advances for certain purposes were unable to commence and complete their program as they planned. Due to this the advance settlements had been delayed. However, we have ensured that all advances taken during the period of 2021 itself.

Also, we have taken proper control mechanism to monitor the advances and ensure the settlement of the advances as soon as the event is completed. Strict action has been taken and internal circulars had been issued to all the staff to educate them to settle their advances on time.

- (ii) When the staff is making advance request for any event costing more than Rs. 100,000 they request the full amount of the expense as an advance since they are unable to finance the remaining amount is excess of Rs. 100,000 from their own money. Internal circulars have already been issued to educate the staff in advance the procedure, to be followed, regarding the limits, approval and settlement. Proper mechanism has already been implemented to supervise and monitor the advances strictly.

(b) Procurement Manual of the Democratic Socialist Republic of Sri Lanka (Goods & Works)

While calling the quotation procurement procedures have been followed properly and bid security had been called along with the bidding document. While doing the evaluation those who have failed to submit the bid security are not been considered. Technical evaluation committee considers only those who have fulfilled the requirement of the bidding document. Contract for on call vehicle had been awarded by the departmental procurement committee for the eligible contractors based on the technical evaluation committee recommendation.

(c) Motor Vehicle Manual of University of Jaffna

As per the vehicle manual details fuel consumption for every vehicle had been checked annually and was properly disclosed.

2.2.3

- (a) University has taken all efforts to fill the existing cadre vacancies promptly. However, to fill some key academic positions such as Professor, Associate Professor, Senior Lecturer/Lecture etc. are still in process as there were

no applications received with required qualifications despite repeated advertisements being placed. In such circumstances the University has filled these vacant positions by Temporary Lectures, Temporary Instructors and Temporary Demonstrators in order to carry out the academic programs without interruption. However, University was able to fill 16 academic cadre position after 31.12.2021. Action has been taken to fill existing cadre vacancies as soon as possible.

- (b) We have taken very strict follow up action on the release of results. Monthly reports regarding release of examination results with the details of examinations, date of examinations held, details of subjects for which results not released and period of delay are submitted to the Senate. In addition, Internal Circular issued by the Competent Authority on 04.03.2020 and reported to Council indicating the procedures, guidelines and rules to expedite the process of releasing results. Action had been taken to closely monitor this process and there has been a significant improvement on releasing the results in comparison with previous year. Timeline for releasing the results have been included in the Examination by laws which are to be approved by the Council.

3 . Accounting Deficiencies

- (a) Unsettled distress loan balances have been brought down to Rs. 1,168,318 which relates to 09 employees only. Out of unsettled amounts one employee (Dr. Amarasinghe) distress loan had been fully settled in 2022. Out of the 8 employees one employee had expired on 06.11.2018 and action had been taken to recover his distress loan balance from his UPF refund. UPF form of this employee had been forwarded to UGC on 01.04.2022 to recover Distress loan outstanding and a waiting the UGC's response.

Another employee is on nopay foreign leave from 19.03.2019 to 18.03.2024. Recovery of his loan will take place once he resumes duty. Also, another employee has been interdicted from the service on 18.11.2019. Recovery of his loan will be made from his gratuity payment, if he is not reinstated.

Remaining unsettled distress loan details are shown below and action has already been taken to recover them from these employee's gratuity payment.

No.	Emp. No.	Name	Amount	Issued Year
1	00030	S. Selvakumar	132,110	2010
2	01287	Dr. Victor	115,516	1995
3	01579	S. Gnanakumaran	66,940	1997
4	01600	R. Gnanakumaran	51,400	1997
5	02117	K. Kesavan	134,667	2003
6	03752	S. Paththinathan	98,943	2010

Computer Loan balance outstanding Rs. 27,500 has been fully recovered in year 2022.

- (b) The Recorp fish project have been funded by Netherlands Science Foundation for different kinds of skill development and other activities. Fund will be used only when the given criteria has been met. Also unutilized funds of these project can be claimed by the donor at any time. In 2022 one of the M. Phil student requested to pay her allocated grant for the research purpose. Balance amount of this fund had to be kept under current liabilities as it is payable on demand.

(c) Academic Staff

The Committee on Obligations of Bond and Agreement (COBA) has studied all the details of bond defaulters and prepared a policy paper to the Council which was formulated based on the prevailing legal and regulatory framework and relevant rulings of the University Council up to 2017. The Council at its 426th meeting held on 24.02.2018 approved the policy paper on bond obligations and granted approval for the enforcement in the

relevant administrative work of the University of Jaffna. UGC has published all the names of the defaulters including all the Universities in the newspapers in 2018. The only action possible now is to take legal action.

Accordingly, a detail study of Information and details of 68 defaulters as at 24.10.2019 is being carried out to processed with the legal action.

The (COBA) at its 16th meeting held on 20.04.2022 having noted the long outstanding dues from the bond violators (both Academic & Non - Academic) amounting to LKR 68. million, prepared a comprehensive summary policy and guideline and step by step procedure for strict implementation with the approval of the Council. A detailed study on a case by case basis to make recommendation to the Council for the possible legal action is being carried out. The Committee meets on a regular basis and carries out a detailed evaluation with the view to clear the long outstanding balances.

The committee also has taken up the matters pertaining to the academic staffs who have assumed duties without completing their postgraduate studies within the study leave period, and made recommendations to the council on appropriate action to be taken based on deliberations made at the 16th meeting held on 20.04.2022.

The Committee has taken following decisions against the seven defaulters out of 68.

- i. If the Bond Violator is not responding for the request that matter should be brought to the Council for its decision.
- ii. The balance obligation can be waived off in considering the payment already made under the Liquidated Damages and Interest.
- iii. Recover the balance obligation through Bond property which was mortgaged by Bond Defaulters with the approval of the Council.
- iv. Issue last warning letter to defaulter and sureties and threatening to impound the passport through Courts.
- v. Allowed to settle the balance Bond Obligation in instalment basis within two years. If fail to settle the payment action will be taken to threatening to impound the passport through Courts and the legal action will be taken to transfer the land to the University.

Non-Academic Staff

In the case of 21 nonacademic staff, all of them were not in service and most of their last reporting date for duty was in the 1990's. University has taken all efforts to contact these staff with no success. Also, the University has still not released the Gratuity and UPF to these staff and the funds are with the University. Based on the information available Rs. 2,351,822.90 is the Bond amount to be recovered as at 31.12.2021.

Action will be taken to recover the dues whenever these staffs claim their UPF dues.

- (d) Mrs. J. Nandakumar informed by her letter dated 25.09.2018 that she would resign her post of Senior Lecturer Grade I with effect from 26.12.2018 due to personal reason. The Council at its 431st meeting held on 14.10.2018 accepted her resignation with effect from 26.12.2018 and the requirement of three month notice for resignation is waived as per the provision of Chapter V Section 4.1 of Establishments Code. Later, she has requested to disregard her resignation and permit her to continue her service by her letter dated 14.12.2018, (Just 12 days before the effective date of resignation 26.12.2018). Her request for revoking the resignation has been recommended and forwarded by the Dean/Faculty of Science and Head/Department of Botany, and the

Council at its 433rd meeting held on 16.12.2018 decided to withdraw the letter of acceptance of resignation based on the humanitarian grounds. Since her period of service had not been interrupted, Sabbatical leave was granted which is an entitlement of an employee, for the period from 30.05.2019 to 29.05.2020 for 1st instance and up to 29.01.2021 as an extension of earned sabbatical leave. She resumed duties on 29.01.2021 after the sabbatical leave and she used the entire sabbatical leave to write and publish a book titled “Medical plants of Jaffna Peninsula” and to recover from the severe life-threatening medical complications. It is noted that, just prior to the sabbatical leave she was granted medical leave for the period from 08.02.2017 to 07.02.2018 and vacation leave from 07.03.2018 to 04.05.2018 while referring her to medical board and considering the recommendation of the medical board. It is also emphasized that revoking the acceptance resignation (24.12.2018) with in three month period of the request for resignation (26.09.2018) by the Council on humanitarian grounds is well justifiable and reasonable. Because of the revoking of resignation, she did not lose her continuity of the service and thus her entitlement for sabbatical leave was considered favorably and sabbatical leave was granted. Vehicle permit and other benefits also granted to Mrs. J. Nandakumar based on the above justification. This has been adequately explained in our reply.

- (e) There are 76 approved cadres (skilled and unskilled) for the maintenance branch of the University of Jaffna. Staff at the maintenance branch is for the maintenance of the existing buildings and other accessories. Out of 76 approved cadre, 39 cadres were filled, and 37 cadres are fill vacant, and the workforce of the manpower services are brought against the vacant cadre at the maintenance branch.

The defects in the buildings/rehabilitation work of the buildings are being carried out by contractual works but it was observed that due to the COVID 19 situation and other unexpected conditions, contractors were unable to complete the works on time and the maintenance branch started the execution of such work on priority basis with the existing work force at the maintenance branch. No special work force brought for such rehabilitation work. The approval for such rehabilitation works which can be managed by the maintenance branch, are obtained from the Vice Chancellor and the materials are purchased by the Finance Branch. The works are commenced on priority basis and the material at site are for the execution/commencement of work.

The current status of the works is given below.

- (f) Due to the Covid 19 pandemic situation prevailed in the country, utilization of the endowment fund was not made properly. Now the endowment fund has been taken as a separate agenda item in the monthly finance committee and at council meeting and the progress of the endowment activities have been continuously discussed and followed up at every month. Also details of the faculty wise endowment had been given to each and every Dean and they are continuously discussing the progress of the endowment fund activities in the monthly faculty board meeting, addition to this all the faculties have appointed faculty endowment committee and speeding up the utilization of the endowment money.
- (g) Kandiah Kartigeasan Tamil music trust fund and Kandiah Kartigeasan Tamil library trust fund were given with certain criteria hence the fund utilization had to be commenced only when the given criteria is met. Also, Kandiah Kartigeasan trust fund has a special committee to approve any project, only when they meet the given criteria. Some of the criteria mentioned in the Kandiah Kartigeasan fund are not practical and unable to meet those criteria. Due to the above barrier utilization of the Kandiah Kartigeasan fund became a biggest challenge.

But the committee of the Kandiah Kartigeasan trust fund had decided to negotiate and change the criteria in order to commence activities and utilize the fund. Accordingly, the University invited the donor of the Kandiah Kartigeasan fund to Sri Lanka in 2020 and get their consent to change certain criteria and use the funds. After the changes of the criteria, the activities of the Kandiah Kartigeasan trust fund had started moving fast and the progress has been very satisfactory. Currently following activities have already been carried out from the Kandiah Kartigeasan trust fund.

- (h) Construction of Five Storied Building for the Unit of Siddha Medicine of the University of Jaffna at Kaithady at a Total Cost Estimate (TCE) of Rs. 109.5 million was approved by the Cabinet of Ministers on 02.09.2010 on Measure and Pay basis. Although the original estimated cost was prepared for 5 storied building in 2009, the bids were called in April 2013. Due to the gap of 3 years between the preparation of estimate and invitation for bid, the scope of this project had to be limited to 3 floors with foundation for 5 storied building.

Further the contract was awarded on 30.07.2013 to M/S A Group Construction & Consultants for Rs. 78,855,000.00 excluding VAT with the approval of Ministry Procurement Committee.

The contractor handed over the building through the consultant of this project (Central Engineering Consultancy Bureau) with some defects in November 2015 and the contractor failed to rectify the defects within the given period. There were some contractual issues during the implementation of this project. Some of the disputes were solved. At the end, the contractor has referred 5 contractual disputes to the Adjudicator. Those 5 disputes relates to the following.

1. Extension of contract period.
2. Liquidated damages (LD) imposed by the Client.
3. The defects not attended by the contractor
4. Deletion of lift installation.
5. Interest for delayed payment.

Adjudication was held and the Adjudicator submitted the award report. The award report of Adjudicator was discussed in detail at the Council on 28.01.2017. Finally the Council decided not to accept the report of the Adjudicator due to its incompleteness. Further contractor went to Arbitration, Arbitrator submitted the award report. The award report of Arbitrator was approved by Council held on 01.07.2018.

Further, new proposal was submitted for Construction & completion of balance 4th & 5th floor of existing 5 storied building for Siddha Medicine Unit at a Total Cost Estimate (TCE) of Rs. 130.1 million which was approved by the Cabinet of Ministers on 07.05.2019 on Measure and Pay basis. But the money had not been allocated by the treasury in 2020 and 2021 to implement the project. In the later part of 2021, there was a suspension of the construction projects by the Ministry of Finance. Thus the building is not completed. Existing building is being utilized fully. Maintenance team has already inspected the defects and action is being taken by the Works Engineer to rectify the defects.

- (i) With report to the recovery of Rs. 26,969,765 the COBA at its 16th meeting held on 20th April, 2022 recommended to recover the obligation of bond from the staff whoever failed to complete their post graduate degree but assumed duty without completion. Action has already been taken to send letters to relevant staff demanding them to settle the obligation amount with copies to their guarant. If they fail to settle the payment action will be taken to issue vacation of post with the approval of the council.
